Join Us to Grow,

SHAPING THE FUTURE OF PHARMACY

bharatpharmtech.in

PHARMACIST'S OATH

- I Swear by the code of Ethics of Pharmacy Council of India in relation to the community and shall act as an integral part of health care team.
- I shall uphold the laws and standards governing my profession.
- I shall strive to perfect and enlarge my knowledge to contribute to the advancement of pharmacy and public health.
- I shall follow the system, which I consider best for pharmaceutical care and counseling of patients.
- I shall endeavour to discover and manufacture drugs of quality to alleviate sufferings of humanity.
- I shall hold in confidence the knowledge gained about the patients in connection with professional practice and never divulge unless compelled to do so by the law.
- I shall associate with organizations having their objectives for betterment of the profession of Pharmacy and make contribution to carry out the work of those organisations.
- While I continue to keep this Oath inviolated, may it be granted to me to enjoy life and the practice of pharmacy respected by all, at all times!
- Should I trespass and violate this oath, may the reverse be my lot!

Prof. (Dr.) Rabindra Debnath

The Founder

(10 August 1953 – 10 January 2023)

With the leadership of quality and wide vision of a common man from a rural place of Tripura who visualized the future prospect of pharmacy education and established a pharmacy institute in the name of Calcutta Institute of Pharmaceutical Technology & AHS in the year 2002 under "Bharat Consortium Institute" in Howrah district. It was the second oldest pharmacy institute in West Bengal. Subsequently he established another engineering and pharmacy institute in the name of Calcutta Institute of Technology (CIT) and Bharat Technology (BT) in the year 2004 and 2006 respectively.

Gradually those institutes became the pathfinder in technical education throughout the country. In the year 2018, after receiving invitation from Govt. of Tripura, Dr. Debnath had shown his keen interest to establish 1st state private pharmacy institute in the state of Tripura, at the vicinity of the Agartala i.e. at Amtali, West Tripura district, Tripura-799130. He sensed the necessity of pharmacy education in Tripura and thus the state got its first private pharmacy institute in the name of "Bharat Pharmaceutical Technology" in the year 2019, run by Anjali-Health, Educational & Charitable Trust, Uluberia, Howrah to cater the need of the society.

NABET QCI

The only pharmacy college in Tripura accredited by NABET, Quality Council of India (QCI)

Messages from
OUR LEADERSHIP

MESSAGE FROM
THE CHAIRPERSON

Dr. Anjali Debnath

"The institute ensures students are well-equipped to thrive in the dynamic healthcare sector by offering a combination of education, training, and values-based learning."

MESSAGE FROM
THE DIRECTOR

Er. Rahul Debnath

"By offering rigorous education, hands-on experiences, and collaboration, our institute prepares students to become successful pharmacists who contribute meaningfully to their communities."

MESSAGE FROM
THE PRINCIPAL

Prof. (Dr.) Subhashis Debnath

"Bharat Pharmaceutical Technology prioritizes the well-being of every student and strives to create an ideal learning environment for their success."

ABOUT US

Bharat Pharmaceutical Technology (BPT) is the first private pharmacy college in the state of Tripura, dedicated to providing high-quality pharmacy education for the professional and personal growth of its students.

The college has highly experienced faculty members with expertise in research, academics, and industry, serving as a catalyst for the overall development of its students.

The college focuses on academic excellence through research-intensive and industry-oriented education, instilling a strong sense of global citizenship in its students.

We are proud to be the only pharmacy institute in Tripura accredited by NABET, Quality Council of India (QCI), reflecting our commitment to excellence in quality education and institutional standards.

OUR VISION

To become one of the leading pharmacy colleges in the region and produce quality pharmacy professionals.

OUR MISSION

- To provide top-quality pharmacy education that equip our students to meet the highest standards in both industry and hospital settings.
- To foster a student community that embodies high ethical standards and can undertake research in key areas of national and international importance.
- To extend outreach programs to address the healthcare needs of the society.
- To instill an entrepreneurial spirit in our pharmacy graduates.

APPROVAL, ACCREDITATION & AFFILIATION

Approved by
Pharmacy Council of India (PCI),
New Delhi

Accredited by
National Accreditation Board for Education and Training (NABET)

Affiliated to
Tripura University (A Central University),
Suryamaninagar,

Tripura Board of Pharmacy Education,

PROGRAMS OFFERED

B. PHARM (INTAKE - 100)

Bachelor of Pharmacy (B. Pharm) is an undergraduate degree course in the field of Pharmacy. It develops understanding of the science and development of medicines, and the examination of the chemical structures in relation to the human body. The program also tracks the process of medicine from initial drug discovery through patient use and review. The program has been designed to integrate the teaching of basic science along with the practice of pharmacy.

ELIGIBILITY

The candidate should have passed the 10+2 examination of any recognized Board in India with minimum 50% aggregate marks in English as one of the subjects and Physics, Chemistry, Biology / Mathematics.

CAREER PROSPECTS

- **Drug Inspector** (State/Central)
- **Pharmacist** (AIIMS/ RRB / Indian Army / Navy / CRPF etc),
- **Industrial Pharmacy** (Production / R&D /QA etc)
- **Sales & Marketing**
- **Research & Development**
- **Executive Drug Safety Associate**
- **Pharmacovigilance Associate**
- **Medical Writer**

B. PHARM

4 Year Program

Salient Features

- Quality Education
- Modern Laboratories
- Industry Oriented Curriculum
- Experienced Faculty

B. PHARM

(Direct cum Merit)

4 Year Program

FEE STRUCTURE

ONE TIME	
Admission Fee & Others	Rs. 1,00,000
Prospectus and Form	Rs. 1,000
Total	**Rs. 1,01,000**

PER SEMESTER	
Semester Fee	Rs. 66,000
Total	**Rs. 5,28,000**

OTHER FEE
Caution Deposit (One time Payment - Refundable) : Rs. 10,000
College Uniform : Rs. 6,500

B. PHARM

(TBJEE/ Govt. Nominated)

4 Year Program

FEE STRUCTURE

ONE TIME	
Admission Fee & Others	Rs. 30,000
Prospectus and Form	Rs. 1,000
Total	**Rs. 31,000**

PER SEMESTER	
Semester Fee	Rs. 51,000
Total	**Rs. 4,08,000**

OTHER FEE
Caution Deposit (One time Payment - Refundable) : Rs. 10,000
College Uniform : Rs. 6,500

Last date of fee payment for Subsequent semesters is **15th January** (for even semesters i.e. 2nd, 4th etc) and **15th July** (for Odd Semester i.e. 3rd, 5th etc)

PROGRAMS OFFERED

B. PHARM
LATERAL ENTRY

B Pharm (Lateral entry) is an undergraduate, three-year program offered after completing the Diploma in Pharmacy. The B Pharm lateral entry helps a student gain admission to the B Pharm program in the second year. This way, the student can become a pharmacy graduate within three years of further studies.

ELIGIBILITY

- 60% aggregate marks in Diploma (Pharmacy) (2 years after 10+2) (Diploma program should be recognized by PCI)

CAREER PROSPECTS

- Drug Inspector(State/Central)
- Pharmacist (AIIMS/ RRB / Indian Army / Navy / CRPF etc)
- Industrial Pharmacy (Production /R&D /QA+
- Sales & Marketing
- Research & Development Executive
- Drug Safety Associate
- Pharmacovigilance Associate
- Medical Writer

B. PHARM
LATERAL ENTRY
3 YEAR PROGRAM

INTAKE - 10

FEE STRUCTURE

ONE TIME	
Admission Fee & Others	Rs. 50,000
Prospectus and Form	Rs. 1,000
Total	**Rs. 51,000**

PER SEMESTER	
Semester Fee	Rs. .66,000
Total	**Rs. 3,96,000**

OTHER FEE
Caution Deposit (One time Payment - Refundable) : Rs. 10,000
College Uniform : Rs. 6,500

Last date of fee payment for Subsequent semesters is **15th January** (for even semesters i.e. 4th, 6th etc) and **15th July** (for Odd Semester i.e. 3rd, 5th etc)

D. PHARM

(Diploma In Pharmacy)

Intake-60

A two-year diploma program that builds a strong foundatin in pharmaceutical Science and healthcare.

ABOUT THE PROGRAM

Diploma in Pharmacy (D. Pharm) is a two-year program that includes both theoretical and practical training on various aspects of pharmacy such as pharmaceutics, pharmacology, pharmaceutical chemistry and biochemistry. The syllabus is designed in such a way that students are able to understand the fundamentals of pharmaceutical science and its applications in the health.

ELIGIBILITY

The candidate should have passed the 10+2 examination of any recognized Board in India with Physics, Chemistry, Biology/Mathematics

CAREER PROSPECTS

- As a Pharmacist in Central Govt. (AIIMS/ RRB/Indian Army/ Navy/CRPF/BSF etc)
- State.Govt/Semi Govt/Private Hospitals,
- Pharmacist in PSU
- Industrial Pharmacist
- Lab Technician in Pharmacy Colleges.
- Retail Store / Wholesale Pharmacist
- Store Keeper.

D. PHARM

2 YEAR PROGRAM

Intake-60

FEE STRUCTURE

ONE TIME	
Admission Fee & Others	Rs. 30,000
Prospectus and Form	Rs. 1,000
Total	**Rs. 31,000**

PER SEMESTER	
Annual Fee	Rs. 1,31,000
Total	**Rs. 2,62,000**

OTHER FEE
Caution Deposit (One time Payment - Refundable) : Rs. 10,000
College Uniform : Rs. 6,500

Last Date of next Annual Payment is 15th July

Shape the Future of

PHARMACEUTICAL INNOVATION

Advance your knowledge.
Drive discoveries. Improve lives.

PROGRAM OFFERED

M. PHARM

(PHARMACEUTICS)

The Master of Pharmacy in Pharmaceutics is a two-year postgraduate program that consists of four semesters. This program focuses on the science behind drug formulation, development, and manufacturing. Students will explore various subjects, including advanced drug delivery systems, regulatory affairs, and industrial pharmacy.

ELIGIBILITY

The candidate should have passed B. Pharm Degree examination of Indian university With min marks 55% for Gen/OBC/ and 50% for SC/ST

CAREER PROSPECTS

- M Pharm (Master of Pharmacy) Pharmaceutics programme's graduates have various career opportunities in the pharmaceutical industry, research and development (R&D), academia, or regulatory bodies, for multiple roles, which makes this an ideal choice for those looking to advance in the pharmaceutical field.

M. PHARM

PHARMACEUTICS

2 YEAR PROGRAM

INTAKE - 15

FEE STRUCTURE

ONE TIME	
Admission Fee & Others	Rs. 30,000
Prospectus and Form	Rs. 1,000
Total	**Rs. 31,000**

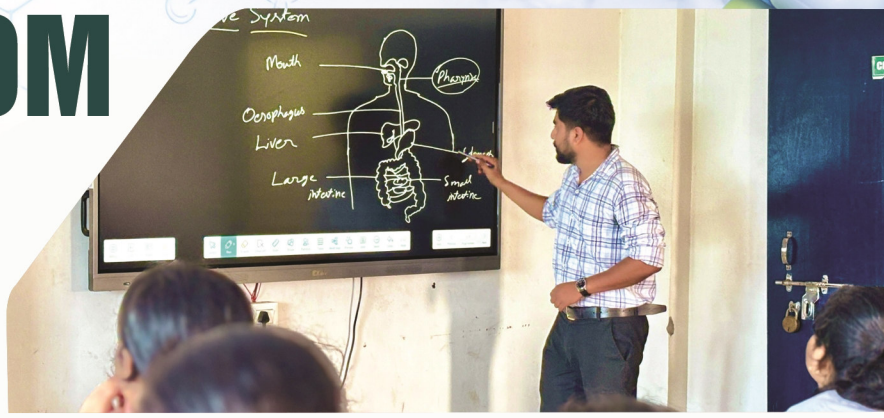

PER SEMESTER	
Annual Fee	Rs. 70,000
Total	**Rs. 2,80,000**

OTHER FEE
Caution Deposit (One time Payment - Refundable) : Rs. 10,000
College Uniform : Rs. 6,500

Last date of fee payment for Subsequent semesters is **15th January** (for even semesters i.e. 2th, 4th etc) and **15th July** (for Odd Semester i.e. 3rd)

CLASSROOM

**A BETTER ENVIRONMENT,
A BRIGHTER FUTURE**

The spacious and well-ventilated classrooms provide an optimal environment for learning.

Each classroom is equipped with audio-visual facilities for live streaming of classroom teaching and Smart Boards.

Audio - visual Facilities | Live Streaming Support | Smart Boards

LIBRARY

**Knowledge Today,
Leaders Tomorrow**

The college has a well-equipped library with almost 6,800 books and subscribes to over 100 journals (including e-journals), as well as general newspapers and magazines.

The library also provides multiple copies of prescribed and other useful books in various subjects for the students. Additionally, the library offers internet access.

6,800+ Books | **100+ Journals** | **Newspapers & Magazines** | **Internet Access**

LABORATORY

The College has well established state-of-the art laboratories with modern instruments which give hands-on experience to the students in the pharmaceutical field.

The laboratories available in the institute include :

Pharmaceutics Labs, Pharmaceutical Chemistry Labs, Pharmacology Labs, Pharmacy Practice Labs and Pharmacognosy & Phytochemistry Labs.

OUR ADVANCED FACILITIES

Equipped. Empowered. Enabling Excellence

CENTRAL INSTRUMENTATION ROOM

The Central Instrumentation Facility has been established to provide a central facility for the latest and advanced analytical techniques for practical experiments and research.

The central room is equipped with instruments such as HPLC, FTIR UV-Vis Spectrophotometer, highly sensitive precision balance, digital pH meter, Flame Photometer, Sonicator, Rotary Vacuum, Evaporator etc.

MACHINE ROOM

The machine room is equipped with machinery used in the manufacturing of tablets, capsules, injectables, liquid orals, and ointments. It houses a variety of equipment including a Rotary tablet punching machine, Ampoule filling and sealing machine, Sieve shaker, Capsule filling machine, Bottle filling machine, Brookfield Viscometer, Double Cone Blender, Tray Dryer, Dissolution rate test apparatus, Disintegration rate test apparatus, and more. This machine room provides a practical learning environment for students to become familiar with the manufacturing process of different formulations in real-time.

COMPUTER LABORATORY

The computer lab is specifically designed to create a learning environment that aids students in developing the specific skills necessary for the field of pharmacy. Students learn how software can assist in gathering, analyzing, and organizing information for effective decision-making and presentations. Additionally, the lab provides access to various software required to conduct pharmacology experiments.

"WHAT OUR STUDENTS SAY"

Anurima Saha
B.Pharm VI sem

Amazing college experience! The faculty is supportive, the campus is vibrant, and the resources are good. I gained valuable knowledge, skills, and connections. I highly recommend this college to anyone looking for a great education, career and lifelong memories.

The teachers of BPT are supportive, and are always approachable interact closely with students and clarify doubts with patience and clarity .It's a place that not only focuses on academics but also encourages personal growth.

Arnab Paul

B. Pharm, VIII SEM

My college provides a supportive learning environment with excellent faculty, well-equipped labs, and a strong academic foundation. The focus on practical knowledge and overall development has greatly enhanced my skills and confidence. I am grateful to be part of such a dedicated and inspiring institution.

"My experience at BHARAT PHARMACEUTICAL TECHNOLOGY has been incredibly rewarding. The faculty is highly supportive and knowledgeable, creating an engaging learning environment. The campus is well-equipped with modern facilities, and there's a strong emphasis on both academic and personal growth. Opportunities like internships, workshops, and student-led initiatives have helped me build real-world skills and grow in confidence. I'm truly grateful for the friendships and experiences I've gained here."

This college provides a great platform where I can truly explore myself through various academic and extracurricular activities, helping me grow both personally and professionally.The faculty members are very supportive, caring, and approachable. Their encouraging and lovely nature creates a positive learning environment and motivates us to do our best.

Our college, Bharat Pharmaceutical Technology, offers a supportive and inspiring learning environment. The faculty members are knowledgeable, approachable, and always willing to help. Their dedication and passion for teaching make the learning process both engaging and effective. I appreciate the guidance and encouragement they provide throughout the course. Overall, being a part of this institution has been a wonderful experience.
